RÉMY MARTIN EXCLUSIVE COCKTAILS

To celebrate our exclusive partnership, we would like to invite you to try our cocktails, crafted using world-renowned spirits produced by Rémy Martin.

Founded in 1724, La Maison Rémy Martin started with the pursuit to capture the pure essence of cognac. It is made exclusively using the iconic vineyards of Grande and Petite Champagne, France, to form the heart of Rémy Martin cognac.

With a rich heritage of more than three centuries, distinct terroirs, and men and women of extraordinary talent and ambition, La Maison Rémy Martin continues their pursuit of perfection as an internationally recognised producer of premium cognac.

In 1990, Rémy Martin partnered with Cointreau, to create the Rémy Cointreau Group, offering a premium range of spirits and liqueurs, which share and uphold the passionate values and audacious spirit of La Maison Rémy Martin.
